Farm or Business Name: _____

File Number #: _____

Herd List **NOP §205.236**

Please provide a list of all ruminant animals, including young stock, requested for certification. You may update a list submitted previously or provide a new list, but please ensure ruminant livestock are positively identified and traceable from year to year. The following information may be provided in another format if it contains equivalent information. Use additional pages as needed

TYPE OF LIVESTOCK	IDENTIFICATION #/ NAME	DATE OF BIRTH	ORGANIC SLAUGHTER ELIGIBLE? ~Managed organically from the last third of gestation ~No restricted substances that exclude organic slaughter (includes parasiticides)		NOTES Include any information pertaining to slaughter eligibility, use of prohibited substances, date of purchase & seller, sold, died, etc.
