ROC Certification Fee Schedule V3, 8/2/22

2. ROA Application and Licensing Fees (paid directly to ROA): The ROC Cost & Fee Structure is subject to change. To view the most up to date fees associated with certification, please visit: www.regenorganic.org/resources and look for "Cost & Fee Structure". You can also request a hard copy of the ROC fees by calling the PCO office at 814-422-0251.
3. Description of Fees and Refund Policy
 - a. **PCO Certification Fees:**
 - i. Basic Fees are a fee due annually to PCO with your initial application and renewal of certification. It covers basic certification services for the upcoming certification season. This is in addition to the inspection fee.
 - ii. Scope Fees are assessed for the type of operation or scope being requested for certification at initial application and annually thereafter. These fees cover the additional time and expertise required to certify these types of operations.
 - iii. Inspection Fees are charged at an hourly rate and vary based upon the complexity of the operation inspected, the ability to group with other nearby inspections, the distance the inspector must travel, and how long the inspection takes. PCO works hard to coordinate inspections in geographic regions to minimize travel time.
 - iv. Inspection Cancellation If you cancel a scheduled inspection with less than 5 days' notice (from the date of the scheduled inspection), you will be assessed the inspector's preparation time, reimbursable expenses (travel, lodging, etc.) that have been incurred for the planned trip, as well as an administrative fee of \$100 USD. If the inspector is en route, the client will be billed for travel time, in addition to the above listed costs.
 - v. Administrative Fees are as described in the table
 - b. **Refund Policy**
 - i. Refunds are based on the amount of work performed. Program fees (section A) are eligible for a 50% refund of fees paid in the current calendar year if the initial review has not been complete. If the initial review was completed the fees paid are non-refundable and any outstanding invoices not yet paid will be turned over to collections. If you are denied certification, suspended or revoked, certification fees are nonrefundable and all invoices must be paid according to terms; inspection charges must be paid if the inspection was conducted. All Inspection fees (section B) and Administrative fees (section C) are non-refundable.
 - c. **ROA Application and Licensing Fees**
 - i. ROA will collect an annual licensing fee based on the calculation for the estimated value of the ROC crop/product: Gross Regenerative Organic Crop/Product Value (GROCV or GROPV). ROA accepts estimates and requires these numbers to be updated annually. A Cost & Fee Worksheet is available at www.regenorganic.org/resources to estimate fees.
 - d. **ROC Farmer Cost Share Program**
 - i. The Farmer Cost-Share Program provided financial help to producers and handlers who are applying to ROC™. This is administered through ROA on a first come, first serve basis. For more information and to apply for funding, please see www.regenorganic.org/roc-farmer-cost-share-program/

This fee schedule is effective January 1, 2022 through December 31, 2022.
