

## OSP Wild Crop - Addendum

**Important:**

- *In order for this form to properly import into the PCO certification system, please save a copy of this form to your desktop and fill out via Acrobat Reader.*
- *Please DO NOT fill out this form in Preview (Mac) or your internet browser (e.g. Internet Explorer, Firefox, Safari) as this will cause your data to be lost.*
- *When sending to PCO, please DO NOT “Print to PDF” as this renders an unreadable form. Please simply “save” the PDF document and send this document to PCO.*

**Instructions:** Use this form if you need additional space in any of the tables in the OSP Wild Crop form. The sections and question numbers on this addendum correspond with the OSP Wild Crop section and question numbers.

**SECTION 1 – General Information §205.201**

**Business Name:**

**Collection Area Information**

| Area Name | Location Information (e.g. street address, GPS coordinates, map reference – township, range, section) | Owned or Leased? |
|-----------|---|------------------|
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |
|           |   |                  |

2.3 Describe the type of natural environment for each harvest area:

| Harvest Area | Description |
|--------------|-------------|
|              |             |
|              |             |
|              |             |
|              |             |
|              |             |
|              |             |
|              |             |
|              |             |
|              |             |
|              |             |

5.8. Wild Crop Storage

| Wild Crop(s) Stored | Type of Storage | Size/Capacity | Location: on-site or other facility name | Certifier (if applicable) |
|---------------------|-----------------|---------------|--|---------------------------|
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
|                     |                 |               |  |                           |
